RESIDENCY VERIFICATION AFFIDAVIT

According to State Attorney General Opinion No. 5925, school districts have the right to ask new enrollees to prove residency. By signing this affidavit you are affirming that the address given on all enrollment forms is the legal residence of the parent or guardian enrolling the student and is the residence of the student.

If you are living in the home of another person without a rental or lease agreement, that person must sign this document and prove their residency.

Verification of residency may be made with any two of the following (check which is used):

Should the district learn that this is not the residence and that the parent lives outside the boundaries of the Harrison Community School District, the student will be **EXCLUDED** immediately from the district.

Further, the district will require payment of tuition for the time in attendance as a nonresident and will take any legal steps to recover the same.
