Board President Cullen asked if anyone wished to address the Board. Kendra Durga, Harrison resident and parent, asked if the school would be receiving or asking for another Safe Routes Grant to build a sidewalk that would connect Larson and the middle school. Mr. Foote explained that there already was a sidewalk that connected the schools, but you have to take the sidewalk around the football field. At the time the sidewalks were done, they were told there was no safe way to put a sidewalk along the high school road from Larson. However, that has been several years ago and Mr. Foote said he will talk to the City Clerk again to see if maybe that has changed.

Under Informational/Discussion, Mr. Foote introduced Robert Cain, the Contract Manager from Enviro-Clean, the new custodial contractor.
