

Harrison Middle School National Junior Honor Society Recommendation

The student named below has identified themselves as a candidate for selection to Harrison Middle School's Chapter of the National Junior Honor Society. Candidacy begins by meeting our scholarship criterion of 3.00. Each candidate will submit three forms of recommendation from important adults in their lives.

These recommendation forms should be based on genuine interactions with the student and completed by an adult such as a youth leader, advisor, coach, teacher, etc. (no parents or relatives, please). Should you rate this candidate poor or below average for a criteria (either a score of one or two), please provide an additional comment which speaks to the rationale behind your rating.

Please be sure to sign this form. In the event that you have had no genuine interactions with this student in these areas, please attest to that fact by checking the box at the bottom, signing and returning the form.

HMS Staff and Community Members: Recommendation forms should be placed in a sealed envelope with a signature across the flap and returned to the student. Your cooperation in this important selection process is greatly appreciated.
