

# Coming sooner than we may realize....

Harrison Community Schools begins before Labor Day this year. **The 1st day of school is Monday, August 24th.** The transportation department would like you to make note of a few very important factors: Your students need to be registered to a bus in order to have transportation to school. If the bus number, driver name, pick up and/or drop off locations and times cannot be given during your visit, your driver will call you with the information within a few days.

**Routing cannot be done effectively if we are not aware of the needs of all riders.**

- Your student information is NOT passed from the school building to the transportation department. Not all children ride the bus, so it would be unnecessary for the school to pass every registered student's information to us.
- Your child may have ridden the bus last year however registration is still required for transportation during the 2020-2021 school year.
- **DUE TO COVID-19 THERE WILL BE SEVERAL OPTIONS AVAILABLE TO REGISTER YOUR CHILDREN FOR TRANSPORTATION:**
  - a. At Bus Garage Monday-Friday 9am-2pm
  - b. Harrison Community Schools Web Site – please return by email or fax
  - c. Call Bus Garage at 989-539-7082 to register or update your child's information
  - d. Drivers will be going door to door or calling to confirm transportation and times

Students may be picked up at one location and dropped off in the afternoon at a different location as long as the schedule is the same every day. Accommodations cannot be met for students to ride with friends unless they are riders on the same bus (bus overcrowding becomes an issue when allowing extra students on existing routes). Shared custody schedules need to be addressed by transportation administration ahead of time.
