

Harrison Community Schools

Dear Parent/Guardian:

A new program to help combat head lice in school called *Hair Angel Helpers*, was implemented in your child's school in mid November. This program involves volunteer parents trained by the school nurse. These volunteers will assist the school nurse in checking for head lice, and with parent permission, treating the child at school.

If you would like your child treated at school by the *Hair Angel Helpers*, please fill out the form below and return it to your child's school. If we do not have a signed permission slip on file to treat your child, you will be notified to pick your child up if he/she is found to have head lice.

The dates for the head lice checks can be found in your Parent/Student Handbook/Calendar.

Joy Robinson, RN, BSN
School Nurse
539-0411

Please Detach

Yes, I give permission for *Hair Angel Helpers* to treat my child for head lice.

I understand that my child will require additional combing and checking for 2 weeks after the treatment at school.

Child's Name _____ Grade _____

School _____ Teacher _____

Parent/Guardian Signature _____ Date _____

We will be using a product call *Lice Arrest* which is a non pesticide product.
All ingredients in *Lice Arrest* are generally regarded as safe.
