

HARRISON COMMUNITY SCHOOLS
224 W. MAIN, P.O. BOX 529
HARRISON, MI 48625
(989) 539-7871

January 19, 2022:

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for Harrison Community Schools and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Richard Foote for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <https://bit.ly/2WoNFci>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name <LIST ALL SCHOOLS>	Status Label <IDENTIFY TSI, ATS, CSI AND NO LABEL SCHOOLS>	Key Initiative to Accelerate Achievement <IDENTIFY THE KEY INITIATIVE>
	No Schools in the district are labeled.	

The 2020 – 2021 school year was one in which all schools continued to work on improving student achievement. However, with the COVID-19 Pandemic continuing many of our students struggled with their academics. It is our hope that with the 2021 – 2022 school year we will get a better idea as to our areas of strengths and weaknesses to drive our academic performance moving forward.

Sincerely,

Richard Foote, Superintendent
